Your name and BSDCG ID number are shown above, along with your pass/fail status on this BSDA exam. The "Your Scaled Score" box reports your overall score on the exam as a scaled score. The range of scaled scores is from 200 to 700, and a scaled score of 500 or more is needed to pass the exam. For your reference, the "Group Minimum", "Group Average", and "Group Maximum" scores are reported for a recent group of examinees. For the "Major Domains", scores are reported as the percent of items answered correctly, or percent correct scores. Additionally, the domain weightings (% of domain items on exam) for this exam are listed.
